Fully synthetic commercial vehicle gear oil

Product code: G157

Product Description:

Athena EPZ FS 75W-80 is a new fully synthetic gear oil designed for use in a wide variety of commercial vehicle manual transmissions. It provides extended oil drain performance and excellent component protection even under arduous conditions.

Benefits:

- Very long service life
- Excellent oxidative and thermal stability
- Outstanding low and high temperature performance
- Excellent gear and bearing pitting resistance
- High level of wear protection
- Compatible with a variety of synchroniser materials
- Fuel saving benefits

Application:

Athena EPZ FS 75W-80 is recommended for use in all types of ZF manual and automated manual transmissions fitted to commercial vehicles. This includes AS Tronic, eTronic, Ecosplit, Ecomid and Ecolite units which makes Athena EPZ FS 75W-80 an ideal choice for use in DAF, Iveco, MAN and Renault trucks which employ these systems.

In addition, Athena EPZ FS 75W-80 is recommended for use in commercial vehicle transmissions where any of the following specifications are required. This further broadens its scope of application to many models of Volvo, Mercedes and others.
