Performance Plus 20W-50

Mineral oil based engine oil

Product code: M087

Product Description:

Performance Plus 20W-50 is a multigrade engine oil manufactured from highly refined, high viscosity index base oils and carefully balanced additives producing a high quality petrol and diesel engine oil. It offers excellent high temperature stability and stay in grade performance. The additives used reduce the unwanted gums and varnishes in cylinders, on pistons and in turbochargers.

Benefits:

- Excellent performance
- Protection against sludging
- Stay in grade performance
- Good anti wear properties

Applications:

Performance Plus 20W-50 is suitable for normally aspirated and turbo charged diesel engines and petrol engines in passenger cars, light and heavy commercials, buses, agricultural, plant and construction equipment. It is miscible with all synthetic and mineral based engine oils.
