

Athena Progear EP 80W-90

Mineral oil based GL-4 gear oil

Product code: G008

Product Description:

Athena Progear EP 80W-90 is a universal extreme pressure gear oil meeting the API performance level GL-4.

Athena Progear EP 80W-90 is manufactured from high quality base oils and high levels of extreme pressure (EP) additives to provide a lubricant with outstanding anti-wear protection. It is are designed to cope with the increasing demands of modern motoring conditions, which include high shock load, high torque and high speed service conditions.

Benefits:

- Excellent oxidation stability
- Outstanding low and high temperature performance
- Guarantees the correct function of synchromesh gearboxes
- Long service life
- Good protection against rust and corrosion
- High level of wear protection

Applications:

Athena Progear EP 80W-90 is suitable for the majority of manual gearboxes, including synchromesh, fitted to automotive, industrial and commercial vehicles.

Product Specification:

API	GL-4
Military	Mil-L-2105

Typical Test Data:

Specific Gravity @ 15.6°C	0.890
Kinematic Viscosity @ 100°C (cSt)	16.41
Kinematic Viscosity @ 40°C (cSt)	158.07
Viscosity Index	109
Flash Point COC (°C)	220
Pour Point (°C)	-28

Health & Safety:

Please refer to the relevant safety data sheet, a copy of which is freely available to all of our customers.
