

Excelcut G314

Low evaporation, chlorine free neat cutting oil

Product code: N203

Product Description:

Excelcut G314 is an extreme pressure neat cutting oil based on unconventional low volatility base stocks and utilises chlorine free extreme pressure additives to provide excellent surface finish.

Benefits:

- Low evaporation & low misting
- Chlorine free
- Multi-metal compatible
- Promotes excellent surface finish

Application:

Excelcut G314 can be used on a variety of machining operations such as drilling, turning and grinding and is compatible with both ferrous and non-ferrous metals from high alloy steels to cast iron and brass.

Typical Test Data:

Specific Gravity @ 20°C	0.838
Kinematic Viscosity @ 40°C (cSt)	14.0
Flash Point COC (°C)	200
Copper Corrosion	Class 1b
Colour	Pale yellow
Appearance	Clear & bright
