

Optifarm Ultra SS 10W-40

Semi-synthetic super universal tractor oil

Product code: M427

Product Description:

Optifarm Ultra SS 10W-40 is an advanced high performance universal oil designed for use in the latest agricultural machinery. It is also recommended in the majority of other off-highway equipment including construction, demolition and excavation.

Optifarm Ultra SS 10W-40 is prepared from a combination of synthetic hydrocracked and highly refined mineral base oils and is fortified with current state of the art additive systems. These provide the ultimate protection against wear and corrosion. This grade has superior shear stability and contains anti-foaming, anti-oxidation and demulsification additives, which are vital for satisfactory performance in engines, transmissions, final drives, hydraulic systems and wet brakes.

Benefits:

- Exceptional wear protection
- Enhanced anti-squawk properties providing superior wet brake performance
- Improved low temperature stability
- Meets a variety of OEM requirements
- Suitable for a wide range of off highway machinery requirements
- High API diesel specification

Applications:

Optifarm Ultra SS 10W-40 is suitable for use in naturally aspirated and turbocharged diesel and petrol engines, transmissions, hydraulic systems, final drives, wet brakes and oil immersed clutches.
