

Optima Marine 2 Stroke

API TC-W3 quality 2 stroke oil

Product code: M154

Product Description:

Optima Marine 2 Stroke TC-W3 is a premium quality, specially formulated, outboard 2 stroke oil. Optima Marine 2 Stroke TC-W3 is manufactured from a special blend of highly refined mineral oils balanced proportionately with synthetic based ashless additives to provide superior protection and extend engine life. It exceeds the requirements of the widely quoted National Marine Manufacturers Association NMMA.

Benefits:

- Provides extended engine life through superior protection
- Non-toxic to marine life
- Reduces spark plug fouling
- Extends valve life by reducing exhaust port deposits

Applications:

Optima Marine 2 Stroke TC-W3 is suitable for the majority of water-cooled outboard 2 strokes. It is suitable for high output engines ranging from 15 hp up to and exceeding 70 hp.

Always refer to the manufacturer handbook for mixing ratios.

Product Specification:

NMMA	TC-W3
API	TD

Typical Characteristics:

Appearance	Amber
Specific Gravity @ 15.6°C	0.880
Kinematic Viscosity @ 100°C (cSt)	8.51
Flash Point (°C)	120

Health & Safety:

Please refer to the safety data sheet, a copy of which is freely available to all of our customers.
