Subject: Feedback from LDF team on confirmation of application for Exol Taurus Resilient 10W-40

Dear Sender,

By sending you this e-mail Scania confirm that we have acted on your request sent in on **2018-02-23**.

We can verify that formulation code [REDACTED] marketed under trade name **Exol Taurus Resilient** in **SAE 10W-40** viscosity class is using an oil blend corresponding to specification **Scania LDF-3**. The quality of the product is not in any way approved by Scania by this mail, as we have no insight in your supply logistics nor production process. This confirmation will expire two year from the date of this e-mail. Extension of confirmation may be possible by sending an email incl. product name and formulation code to: LDF@scania.com, two months prior to the confirmation expiry date.

Scania is free to withdraw the confirmation at any time and will if so inform you by replying to the e-mail requesting the original confirmation.

Sincerely,
LDF support
