

Athena Multigear 75W-80

Semi-synthetic manual transmission fluid

Product code: G139

Product Description:

Athena Multigear 75W-80 is a premium semi-synthetic manual transmission fluid recommended for use in a wide range of passenger cars and light duty commercial vehicles. It exceeds the performance levels of more conventional API GL-4/GL-5 lubricants in terms of synchroniser performance, thermal and oxidative stability, shift quality and fuel efficiency. Athena Multigear 75W-80 is formulated with premium base oils and advanced additive technology to ensure component durability over extended periods.

Benefits:

- Improved synchromesh performance
- Improved shift quality
- Thermal and oxidative stability
- Load carrying and hardware durability
- Pitting resistance
- Shear stability
- Low temperature shift feel
- Seal compatibility
- Corrosion protection

Applications:

Athena Multigear 75W-80 is recommended for use in a wide variety of manual transmissions in passenger cars and light duty commercial vehicles. Athena Multigear 75W-80 is recommended where the specification MTF-94 is called for.

Product Specification:

API	GL-4, GL-5
-----	------------

Typical Test Data:

Appearance	Clear yellow liquid
Density @ 20°C	0.875
Kinematic Viscosity @ 100°C (cSt)	9.1
Kinematic Viscosity @ 40°C (cSt)	58.0
Viscosity Index	136
Flash Point (COC, °C)	220
Pour Point (°C)	-45
